Privacy Statement

Trade Facilitation B.V.

Latest Update: 25th May 2018

All personal data Trade Facilitation B.V. manages will be handled according to this privacy statement.

Trade Facilitation B.V. finds it of the utmost importance to protect the personal data of their business relations, website visitors and newsletter recipients. This is why all personal data is treated in accordance with the requirements of General Data Protection Regulation (GDPR) as per 25th May 2018.

Trade Facilitation B.V. is registered at the Chamber of Commerce in Breda with number 51012510 and is established in Teteringen at Heiackerdreef 6.

We register your data from the moment you give us your business card with which we can register you for our newsletter, leave your data through our website or if you register for our newsletter. We also register your data in case we receive your data by means of a reference, during a conversation with your colleague or another business relation or if we receive your data due to your participation in a workshop or conference. In addition, we can also register your data in case you have shared these via platforms like LinkedIn.

Services

Trade Facilitation B.V. registers and processes the following personal and business data in order to support our services:

- Curriculum Vitae, in relation to recruitment and selection or interim assignments;
- Check of references in relation to the above assignments;
- Legal procedures and license applications on behalf of our business relations;
- Commercial activities solely to offer our services customized for your needs;

In order to provide our services, we store and process the following data:

- Business Name, address and place of residence, email addresses and other contract information;
- Curriculum Vitae (CV), information about education and working experience;
- If required, your LinkedIn profile or other data available on the internet;
- Information obtained after a check of references provided by you to Trade Facilitation B.V.;
- The relevant business data related to interim assignments for Trade Facilitation B.V.

Distribution of personal data to third parties

Your data is only shared with third parties only if it is necessary for performing a service which has been agreed with you or your company. In order to protect your rights Trade Facilitation B.V. will have an agreement with the concerning third party.

We use internet applications of third parties e.g. Google Analytics. The information gained from these applications is used to improve our website for the afore mentioned commercial purposes.

Publication

No personal data is shared or published with third parties without your explicit written consent.

Newsletter and Contact Form

We issue a periodical newsletter with which we inform interested parties about the latest developments in our field of expertise and our services. Your email address is only added to the mailing list with your prior consent. Every newsletter contains a link with which you can unsubscribe.

If you fill out the contact form on our website or send us an email, the concerning data will be stored for as long as the response to the form or your email requires it.

Trade Facilitation B.V. may be obliged by e.g. legal injunction or judicial ruling to share personal data with the party or institution concerned.

The period we store your data is dependent on the applicable legal period, your privacy rights and the justifiable interest of our services and business.

In the exceptional case of a security breach and/or data breach Trade Facilitation B.V. will act in accordance with GDPR.

For the purpose of our website and newsletter we only use the applications Google Analytics and MailChimp to collect and analyse information that is related to the use. Trade Facilitation B.V. preserves the right to update and adjust this privacy statement. You can keep updated on these changes via the website.
